JN's founder stepping aside after almost 40 years

After nearly 40 years as founder and editor, Cal Samra has stepped aside to allow Paul Lintern to step in it. At age 92, Cal thought he wanted to pursue his pickle ball career.

The Joyful Noiseletter has won awards and been lifted up as a publication that deserved a prominent place in every corner of the Kingdom. The names of its contributing editors — earthly and celestial — is stellar, and pastors, humorists and the faithful everywhere find it easy to smile at the thought of Joy being lifted to the ranks of praise before the Lord.

The publication will continue in its current form, six

seasonally-themed *JN's* a year, printed and mailed; and many subscribers opt to receive the *JN* via e-mail, with the ability to “cut and paste” still user-friendly for whatever the user, well, uses.

Paul also is developing merrychristians.substack.com as a way to access his archives of 50 years of humorous faithful writings, and to make current writings immediately available.

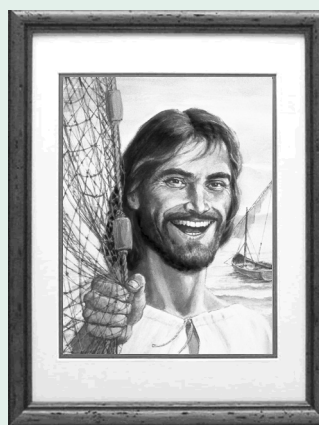

You can use the order form on the back page to subscribe, and to send a gift subscription to someone in your life who needs a healing dose of faith and humor. Subscribe online at joyfulnoiseletter.com or call 1-800-877-2757.

The best way to celebrate Christmas, Easter, or any other day is to know the *Life* of the party – the Lord who encouraged us to “be of good cheer.”

Christians of all faith traditions love Jack Jewell's contemporary painting of a joyful, triumphant Risen Christ surprising His disciples at the Sea of Tiberias.

This painting is appearing in church sanctuaries, vestibules, and social halls, on church bulletin covers, in pastors', counselors', and doctors' offices, retreat centers, Sunday schools, homes, hospitals, in confessionals, at funerals, and at Easter and Holy Humor Sunday services.

FULL-COLOR prints include an 8x10 print, an 18x24 poster, 2¼x3½ wallet-size cards, 3x3⅞ magnets, 8½x11 church bulletins, and 8½x14 church bulletins. (100 minimum order on church bulletins.)
